- Contribute towards an industry-leading Global Museum Report.
- Brainstorm methods with the Business & Data Analyst to maximise reach museums around the world.
- Contact museum professionals around the world to gather data and improve our survey findings.

## Skills required

- Confident telephone manner, comfortable with cold calling
- Proficiency with Microsoft Office and/or Google Apps.
- Ability to prioritise high amounts of information and tasks.
- Proficiency in the English language (another language is a bonus)
- Outstanding written and oral communication skills.
- Active listener.

## The ideal candidate must be

- Personable
- Proactive
- Quick learner
- Good listener
- Comfortable working in a team as well as independently
